NAVSAHYADRI GROUP OF INSTITUTIONS

Where the  
expectations  
meets the  
opportunity

With the passion for imparting Quality Education for All, Navsahyadri Education Society, Pune took a planned plunge into the education sphere by establishing a Technical Campus from the Academic Year 2010-11. As of now the Society has all the colleges/ institutes in the Campus duly approved by the AICTE/PCI, New Delhi, recognized by Government of Maharashtra / DTE and affiliated to the Savitribai Phule Pune University (SPPU) / BATU /MSBTE . Our educational Campus houses MBA, Engineering - Degree & Diploma, Pharmacy- B. Pharm., D. Pharm., M. Pharm., Sr. College - BBA, BCA, BSC (Computer Science), B.Sc, B.Com & B.A., Jr. College and the School.

NGI is located in Nasrapur, off Pune- Bangalore Highway with state of art infrastructure and beautiful surroundings. This key location helps us to stay connected with our Industry Partners.

Approved by AICTE, New Delhi PCI & DTE  
Affiliated to Savitribai Phule Pune University | DBATU | MSBTE  
Recognized by Govt. of Maharashtra

## President's Desk

The entire globe today is witnessing and experiencing the mind boggling Scientific and Technological developments like artificial intelligence, internet, web management on one hand and total chaos, confusion, clashes, conflicts, terrorism, bloodshed and massacre in the name of caste, creed or religion on the other hand. Disregard for ethical, social, moral, cultural and ecological values is deeply rooted in the 'indifferent' and 'I don't care' culture. The youth of today believes in revolt and action rather than patience and tolerance. In midst of this challenging environment, in order to promote good character building among the young generation, Navsahyadri group of Institutions strictly follows the ethos of value-based education.

**Shri. P. N. Suke**

(Founder President, Navsahyadri Education Society)

## Director's Desk

Navsahyadri Group of Institutions, promotes excellence in Higher Education to meet national & global challenges, towards accomplishing its mission of nation building crafted by our founder President. The NGI in pursuance of the unique and pioneering approach of providing world quality multidisciplinary education offered at one campus, presents opportunity of holistic development to the students in preparing them to meet challenges of dynamically changing technical and social environment and finding right and timely solutions.

**Mr. Sagar P. Suke**

(Group Director, Navsahyadri Education Society)

## MBA

Duration - 2 Yrs. | Intake – 240

Choice Code - 663210110 | DTE Code: 6632

Navsahyadri Group of Institutes – College of Management aims to prepare students for tomorrow, equipping them today with the right knowledge, skills and attitude that will help them be effective in any venture they choose, nurturing and developing them to become good individuals who are sensitive to the society around them. Learning and teaching in the management school covers all aspects of management. We have well experienced faculties and pedagogy followed is very innovative. There is lot of emphasis on learning by doing.

## MBA++

MBA ++ is one of the career oriented PG course offered by Navsahyadri Education Society's Group of Institutes, Faculty of Management, Special Highlights of MBA++ at NGI's College of Management:

In addition to Regular MBA (University Approved) our MBA + students are benefitted with our signature Employability Enhancement Program and Management Development Program. Every MBA + student becomes a member of his domain specific club through brain storming sessions and activities that cover latest developments in the domain to gain updated knowledge.

Diploma Program in Strategic business Management from Zurich City Business School:

ZCBS is a Swiss Federal registered college accredited by European Credit Transfer and Accumulation System (ECTS).

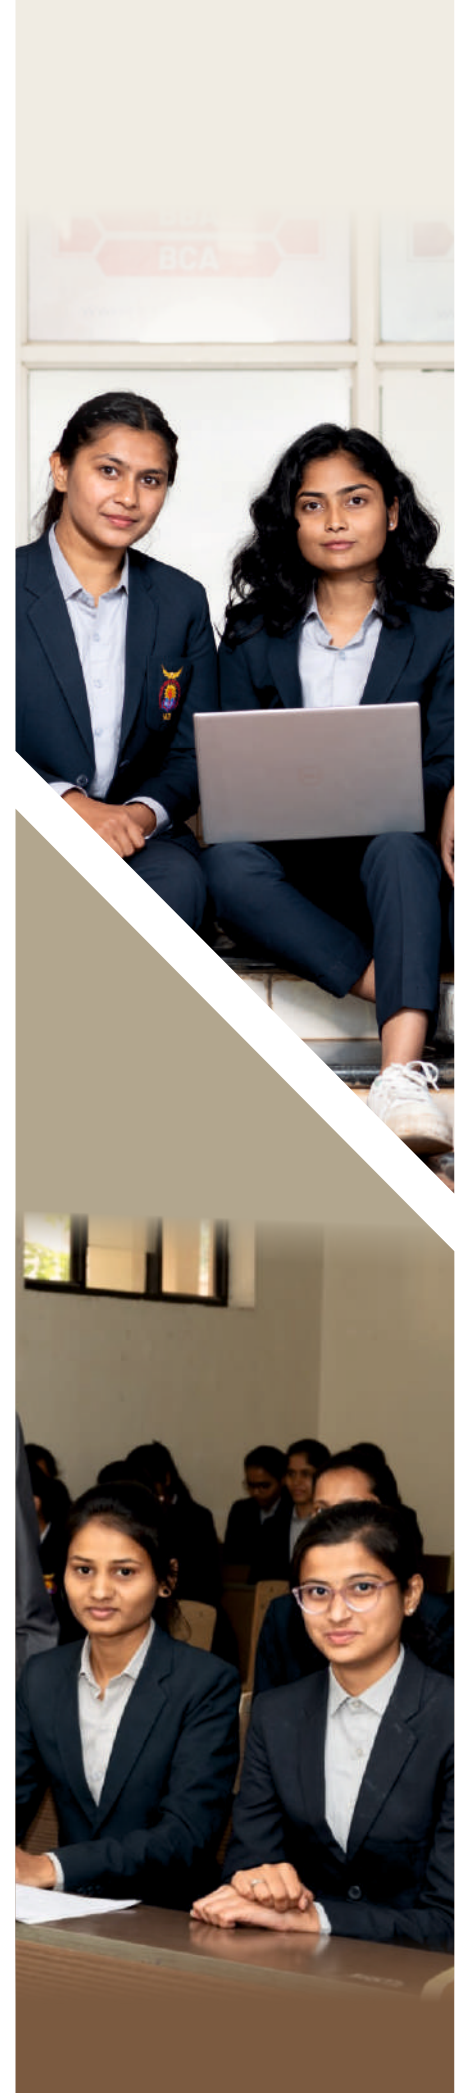

## MCA

Duration - 2 Yrs. | Intake – 180

Choice Code - 663224110 | DTE Code: 6632

The knowledge and skills required for planning, designing and building Complex, Intelligent Software Systems are highly valued in all industrial sectors like business, health care, education and manufacturing. Master program in Computer Application (M.C.A) is a steady stream of the essential knowledge, skills and foundation for acquiring a wide range of rewarding careers into the rapidly expanding world of the Information Technology. The Curriculum is well updated with latest technology like Big Data Analytics, Cloud Computing, Service Oriented Architecture, and Python Programming along with core subjects and management skill development for being successful tech-managers, utilizing the resources to their fullest.

The department of MCA is affiliated to Savitribai Phule Pune University (SPPU) and approved by All India Council for Technical Education (AICTE), New-Delhi at Navsahyadri College of Engineering & Management with intake of 120 students.

## BBA

Duration - 4 Yrs. | Intake – 120

**Choice Code - 663210110**

The BBA programme equips students with the skills and knowledge of leadership, entrepreneurship, strategic thinking, research, communication, and ethical conduct, which are essential for success in the business world. Students are exposed to the functioning of the corporate world through industry visits, summer internships, and live projects. The lectures are conducted by industry leaders as well as academic faculty, while guest lectures and seminars provide further learning opportunities. The programme also provides strong placement training and support from the career services department.

### A quick look at the benefits of BBA Program offered by

- Enhances skills and competencies
- Challenging Assignments
- Industry Exposure
- Foreign Visits
- 100% Placement Assistance
- Teaching Learning through ICT
- Field Projects
- Learning through Presentations/ Role Play/ Case Study/Brainstorming
- Guest Lectures
- Students Research

## BCA

Duration - 4 Yrs. | Intake – 120

**Choice Code - 663210110**

The Bachelor of Computer Application (BCA) Science programme at NGI offers training in fundamental programming languages (C and Java), databases, networking, and data structures, as well as cutting-edge technologies like Python, Artificial Intelligence, Machine Learning, Android, and AngularJS.

### A quick look at the benefits of BCA Program offered by

- Design, develop, and implement computer applications to meet a wide range of industry needs
- Solve complex problems in the field
- Choose electives like Data Mining, Automation Testing and Database Administration
- Develop skills like Recent Trends in IT, Business Communications, Research Methodology, and Research Paper Writing

## Senior College

### B.Sc. - CS

Duration - 4 Yrs. | Intake – 80

NGI's B.Sc. in Computer Science is a full-time degree programme that teaches students various programming languages, databases, web development, and other technologies. In addition to theoretical knowledge, students gain practical skills in critical thinking, problem solving, and analysis through various modules in the programme.

### A quick look at the benefits of B.Sc Computer Program offered by

- To build a theoretical base in computer science and its generic applications.
- To help students understand technical problems, suggest & develop solutions.
- To enable students to evaluate solutions using innovative learning methods
- To expose students to scientific analysis, design principles and system management practices.

## Computer

Duration - 4 Yrs. | Intake - 240

**Choice Code - 663224510**

Computer Engineering is an amalgamation of various fields of engineering and computer sciences and its major utility is directed towards creating computer hardware and software. Computer related problems can be analyzed and solved through this field of engineering.

## Artificial Intelligence & Data Science (AIDS)

Duration - 4 Yrs. | Intake - 120

**Choice Code - 663226310**

This course will certify students with in demand big data technologies. It also empowers students with data management technologies like Hadoop ecosystem, R, Programming Machine learning etc. The knowledge and expertise of the skills in this course would be an added advantage for a better and competitive career for all the aspiring students. This course offers combination of Data Science and Artificial Intelligence, which includes knowledge of machine learning and deep learning algorithms.

## Artificial Intelligence & Machine Learning (AIML)

Duration - 4 Yrs. | Intake - 120

**Choice Code - 663292110**

India is rising and shining bright when it comes to adopting new and emerging technologies. Enterprises from almost all major industry verticals are hiring AI and data science experts to help them garner actionable insights from big data. The analytics sector has witnessed a sharp increase in demand for highly-skilled professionals who understand both the business world as well as the tech world.

## Electronic & Telecommunication

Duration - 4 Yrs. | Intake - 60

**Choice Code - 663237210**

The Electronics and Telecommunication Engineering department was established in 2010. We offer Under Graduate (UG) The department also executes the Guardian Faculty Member (GFM) scheme through which continuous assessment of student's attendance and academic performance is undertaken and conveyed to parents to keep them informed about their ward.

## Electrical

Duration - 4 Yrs. | Intake - 60

**Choice Code - 663229310**

The Electrical Engineering Department has been at the forefront of activity at NGI with the help of its experienced faculties and bright students. The modern infrastructure and resources create an enabling environment for our students to explore their interests.

## Mechanical

Duration - 4 Yrs. | Intake - 60

**Choice Code - 663261210**

Welcome to the Department of Mechanical Engineering, where creativity meets precision. Our Mechanical Department is at the forefront of engineering excellence, offering a comprehensive education in mechanical engineering, manufacturing processes, and advanced materials.

## Civil

Duration - 4 Yrs. | Intake - 30

**Choice Code - 663219110**

Civil Engineering is often recognized as the seed from which all other branches of Engineering have grown into a mighty tree. We aim to create technically sound and practically proficient engineers who would jump at any opportunity to use their skills in a real-world scenario.

## Computer

Duration - 3 Yrs. | Intake – 120

**Choice Code - 663224510**

Computer is a discipline that integrates several fields of electrical engineering and computer science required to develop computer hardware and software. Computer Engineers usually have training in Electronic Engineering (or Electrical Engineering), software design and hardware software integration instead of only software engineering or electrical engineering.

## Information Technology

Duration - 3 Yrs. | Intake – 60

**Choice Code –6632224610**

Information Technology has proliferated through every sphere of human life for the past two decades or so. With rapid advancement in hardware, software and network technologies along with decreasing cost, Information Technology has become an integral part of our daily life.

To meet this ongoing need, the Information Technology Department focuses on offering quality teaching in the classrooms along with conducting practical in state-of-the-art, well-equipped laboratories. Final year projects are mostly guided by experienced faculty and industry professionals on current research trends in Security, Cloud Computing, Data Base Management Systems, Software Engineering, Networking and Web Technology.

## Mechanical

Duration - 3 Yrs. | Intake – 60

**Choice Code - 663261210**

Mechanical Engineering is the discipline that applies the principles of engineering, Physics and material science for the design, analysis, manufacturing and maintenance of mechanical system. It is the branch of engineering that involves the design, production and operation of machinery. It is one of the oldest and broadest of the engineering disciplines.

## Electrical

Duration - 3 Yrs. | Intake – 60

**Choice Code - 663229310**

Electrical Engineering is a field of engineering that generally deals with the study and application of electricity, electronics and electromagnetism. This field first became an identifiable occupation in the latter half of the 19th century after commercialization of the electric telegraph, the telephone and electric power distribution and use.

## Civil

Duration - 3 Yrs. | Intake – 60

**Choice Code - 663219110**

Civil Engineering is a professional engineering discipline that deals with the design, construction and maintenance of the physical and naturally built environment, including works like roads, bridges, canals, dams and buildings. Civil engineering is the second-oldest engineering discipline after military engineering.

## M. Pharmacy

Duration - 2 Yrs. | Intake - 30

DTE Code: 6905

### Specialization :

1. **Pharmacology** - Choice Code - 690582110
2. **Pharmaceutics** - Choice Code - 690581710

Master of Pharmacy (M.Pharm) is a Postgraduate degree course in the field of Pharmacy education. The students those are interested in the medical field (except to become a doctor) can choose this course after the completion of their graduation in Pharmacy (B.Pharm). We at Navsahyadri offer two specialization in master degree ; Pharmaceutics and Pharmacology.

## B. Pharmacy

Duration - 4 Yrs. | Intake - 100

Choice Code - 690582310 | DTE Code: 6905

Bachelor of Pharmacy (B.Pharm) is an undergraduate degree course in the field of Pharmacy education. The students who are interested in the medical field (except to become a doctor) can choose this course after the completion of class 12th (PCM/B). After the completion of this degree, the students can practice as a Pharmacist. Pharmacists can work in a range of industries related to the prescription, manufacturing & provision of medicines. The duration of this course is 4 years.

The B.Pharm is one of the popular job oriented course among the science students after class 12th. In this course the students study about the drugs and medicines, Pharmaceutical Engineering, Medicinal Chemistry etc. This course provides a large no. of job opportunities in both the public and private sector.

## D. Pharmacy

Duration - 2 Yrs. | Intake - 60

Choice Code - 690582310 | DTE Code: 6905

There has never been a more exciting time to consider a career in pharmacy. The profession is experiencing a period of unprecedented progress and development. The skills of pharmacists have never been in greater demand and to deliver the latest, cutting-edge treatments and medicines to millions of patients every day.

## Training & Placement Cell

Professionalism and discretion are strictly observed at NGI. Our placement and training team reach out as trustworthy boards for advice on career and challenges to enhance prospect of building students' career based on their personal and professional aspirations. Ever since its inception in 2010 placing the students in consonance with their academic qualification has been our passion & heritage.

In order to promote student's interest, give him/her a good Platform, Schedule his/her interview and thereafter share the credit & joy of his future growth & Prosperity, our training and Placement cell, founded upon sourcing and research, make their utmost best efforts to benchmark and connect with the world leading companies' and Endowed with a proven, proactive sourcing background serving as catalyst keeping the students informed on important career avenues for final placements build a deep rooted relationship with student and sponsor their name to these prestigious organization who have offers benefiting their technical skills and interest.

## Placement activities & Achievement:

- NGI has conducted 45 recruitment drives.
- We proudly say that 75.42 % of NGI's students are placed.
- Quality Placement of 55% students in IT Product & Core Companies.
- Mr. Aniket Bhosale student of NGI placed in 'LACASA Architect and Engineering Consultant, Dubai with package 25 LPA.
- Total 75 students from the NGI are placed with a average package of 4-6 Lacs & more
- Regular Soft skills training is given to second year students.
- Regular Aptitude preparation sessions for third year students have been conducted.
- Regular GD/PI sessions are conducted for Final year students.
- Expert lectures on career option, Personality Development, etc.
- The Students undergo an internship semester (6th Semester) in various industries.
- GRE Scholarship Test conducted through Imperial Overseas Education.
- NGI signed MoU with various leading MNC's for Value Added programs.
- We enjoy the advantage of getting a cream layer of students at our institutes. Our NGI Alumni are also performing well in the industries where they are placed. Hence we could get the recognition from industries. We would like to assure Industry, Students and Parents that we will not leave any stone unturned to make all our stakeholders Happy and Proud!!!
